

BARNSTABLE COUNTY ASSEMBLY OF DELEGATES

In the Year Nineteen Hundred and Ninety Three

Ordinance 93-3

To amend Section 2.9 of the Barnstable County Administrative Code to remove the powers, duties and responsibilities of Human Services from the Department of Health, Human Services and Environment and rename such department the "Department of Health and the Environment".

Barnstable County hereby ordains:

To amend Section 2.9 of the Barnstable County Administrative Code to read as follows:

Section 2.9 Department of Health and the Environment

(a) Department Generally

There shall be a Department of Health and the Environment under the direction of the Director of Health and the Environment.

(b) Director of Health and the Environment

The Board of County Commissioners shall appoint a Director of Health and Environment.

(c) Powers, Duties, and Responsibilities

The Department of Health and the Environment shall have the following powers, duties and responsibilities: to plan, develop and implement programs which provide for, protect, and promote the public health of County residents by providing comprehensive health services in such areas as community-health nursing and environmental health; and to maintain a water-quality testing laboratory. The department shall have such other powers, duties and responsibilities as may be provided by County Ordinance or this administrative code.

Adopted on May 5, 1993 by the Assembly of Delegates.
