## **2021 Hazardous Waste Collections for VSQGs**

### **Examples of Small Businesses that are [Very Small Quantity Generators \(VSQGs\)](#)**

Painters, Landscapers, Jewelers, Artists, Labs, Non-profits, Motels/Hotels, Inns/B & Bs, Woodworking, Fishermen, Charter Boats, Private Schools, etc.

---

Cape Cod towns invite you to participate in this year's hazardous materials collections if you need to dispose of hazardous products from your small business (<220 lbs or 27 gallons per month and NO acutely hazardous waste). The schedule on the back of this form lists 2021 collection dates, times, locations, and contact numbers. Call Kalliope at the number below for more information. Information about the hazardous products collections is also available on our website: [www.loveyourlocalwater.org](http://www.loveyourlocalwater.org) or at [f/loveyourlocalwater](http://f/loveyourlocalwater). Onsite pickup at your business available in 2021, call Kalliope.

You may participate in collections in your town, or in other town's collection for the disposal costs. **IMPORTANT: You are required to register by calling or emailing at least two weeks in advance of the collection date to discuss the type and quantity of materials you plan to bring. Our contractor cannot accept acutely hazardous materials at household hazardous products collections, so it is important that you notify Kalliope in advance.** We will send you a bill of lading (BOL) and the cost for disposing of your materials. You should bring the BOL and a check for payment to the hazardous waste collection. Onsite pickup at your business available in 2021. Call Kalliope.

For small business registration information and to make arrangements to participate in the collections, contact:

Kalliope Chute, Hazardous Materials Environmental Specialist
