Think Twice About SHARPS DISPOSAL

A Guide to Safe Disposal of Household Syringes and Lancets

A Free Program for Cape Cod Residents

*A Collaboration of Barnstable County,
Cape Cod Towns and Cape Cod Healthcare*

Managing your health care at home can be a complicated process, especially when it comes to disposing home health care supplies like syringes and lancets. These syringes and lancets are called Household Sharps.

WHO USES SHARPS ON CAPE COD?

Many residents, ranging from children to seniors, manage their health care at home. Some specific groups of people using household sharps include...

- Diabetes Patients*
- Rheumatoid Arthritis Patients*
- Hemophiliacs*
- Pet Owners*
- Farmers*

How to Store Sharps BETWEEN DROP OFFS

- ⤴ Deposit used syringes and lancets into an approved sharps container.
- ⤴ Label your container, "Contains Sharps" and immediately put used sharps into the container.
- ⤴ Close your container between uses.
- ⤴ Bring a portable sharps container when travelling.
- ⤴ Store your container in a safe place away from children and pets.

DO NOT...

- ...flush sharps down the toilet!
- ...drop sharps into storm drains!
- ...clip, bend, or recap sharps!

DROP OFF LOCATIONS

You will receive a new disposal container at the drop off site. Please use this container as state regulations prohibit disposal of sharps in household containers
