PROJECT NOTIFICATION FORM

Project Name: Building Envelope Restoration at Barnstable County Superior Courthouse

Location / Address: 3195 Main St, Paul Ruszala, Assets and Infrastructure Manager

City / Town: Barnstable, MA

Project Proponent

Name: Barnstable County, Paul Ruszala, Assets and Infrastructure Manager

Address: 3195 Main St

City/Town/Zip/Telephone: Barnstable, MA 02630

Agency license or funding for the project (list all licenses, permits, approvals, grants or other entitlements being sought from state and federal agencies).

Agency Name	Type of License or funding (specify)
Barnstable County	Project Funding
Old King's Highway Historic District Committee	Certificate of Appropriateness
Town of Barnstable	Building Permit

Project Description (narrative):
Perform masonry restoration and select replacement of exterior building components for a civic building constructed in the 1830s to improve the building's watertightness and thermal performance relating to granite and brick masonry, structural foundation repairs, historic windows, wood cornice and entablature and associated components.

Does the project include demolition? If so, specify nature of demolition and describe the building(s) which are proposed for demolition.
The project includes selective demolition of deteriorated trim, masonry, and window components.

Does the project include rehabilitation of any existing buildings? If so, specify nature of rehabilitation and describe the building(s) which are proposed for rehabilitation.
Yes, this project involves in-kind repair, restoration, and select replacement of the components listed above. The building functions as a courthouse that serves the cities and towns of Barnstable County.

Does the project include new construction? If so, describe (attach plans and elevations if necessary).
Not applicable.

After review of the MHC's files and the materials you submitted, the MHC has determined that the proposed project will have "no adverse effect" on significant historic or archaeological properties.
